The board discussed the importance of setting up credit card sales for our fees in the spring or fall. This will help to prevent issues with registration fees and help us to ensure that we can collect owed monies. Pam asked for Lydia to get her a field liner bill ASAP. Pam also asked that Lydia remind the club to register their City Market Card for the Blitz. This takes 10 minutes and earns the club money quickly with no effort from the families. Pam asked Lydia to contact CSA regarding check #145 that was cashed for a team that was dropped for the fall. Lydia will follow up with Allan James from CSA. Lydia will also print or email Soccer.com fall receipts to Pam.

Lydia will reach out to Blitz coaches to find out if they have a date preference for an E license class in December. Lisa Rowe will contact Mike Freitag to determine dates available for the class.

Lydia will also remind families and managers to encourage team carpooling via email. Marilyn French reports that a few girls have been missing away games and she is unclear if they were not able to find a ride. Marilyn also asked for clarification on game reschedules. Group reviewed the process with Marilyn. Marilyn also asked for assistance contacting FC Boulder regarding a game scheduled with no time or location. Lydia will contact the FC Boulder Club registrar regarding this and include Marilyn and the HS coaches in the email.

Discussion of club lightning policy occurred. Board asks that all coaches use Weather bug app to determine if they need to seek shelter while practicing.

Board also discussed how to compensate the variety of assistants helping with the U13 and U15 girls' teams. Board would like more members present so that Lisa can abstain from voting on this decision. Item was tabled until October.

The club would like to look at scheduling a fundraiser breakfast at Chili's and or Mugs to raise money for the Sunbelt tournaments fees for teams this spring. Board discussed setting this up for January or February.
